When I wake up I go down stairs and I get breakfast. Then I go to school like a lot of kids do my age. When I go to school I walk most of the time I do. Rarely I take the bus to school. I walk because I live like a mile away. When I go on the bus it is because it is snowing or it is really cold outside. When I get to school I go outside with my buds. Then when we go inside we do the pledge. Our first class is Math I love Math. then we go to Science. Then Writing i love to write. writing is one of my hobys. then it is lunch I always sit with my buds and talk together.

## Chapter 2 by Elias

Everyone was great till they all got girl friends. I did not want a girl friend so I had to lissen to the constant nagging.

"You need to get a girl friend, It makes you feel good", Said Josh.

I also had to lissen to my friend Brett and Dlyan talk about girls they liked ad wanted to date.

The funny thing was that they all made fun of girls for talking about the same things that they talk about. I know very hippocratital.

I know one day they will evently get over it but for now I think that I will just try to change the subject win we are talking.
